to be lost : kaybolmak

live : yaşamak

hat : şapka

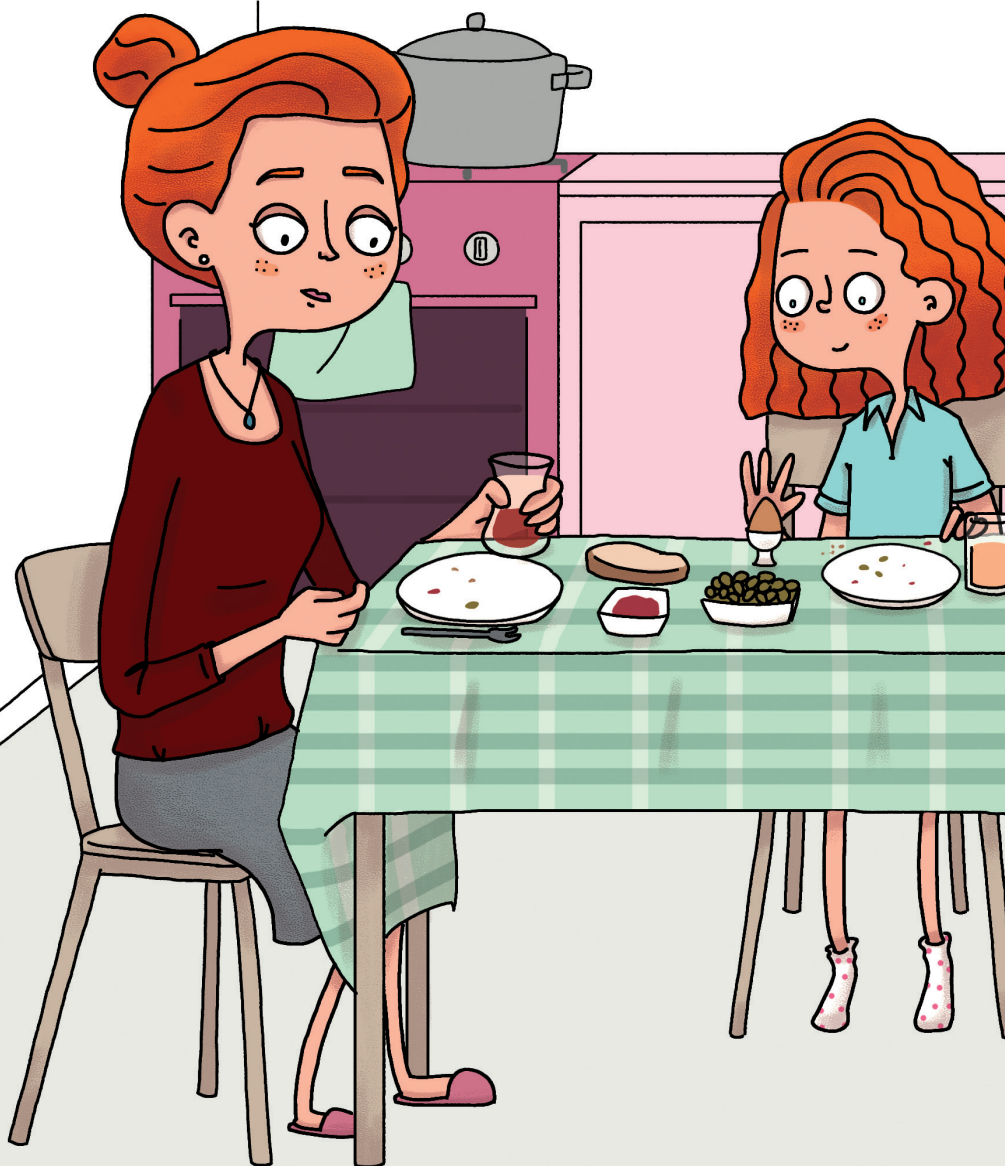

"Come on, darling, have your breakfast. I know you're very excited, but try to keep calm, OK?" says mom.

"I don't want more, mom. I'm full."

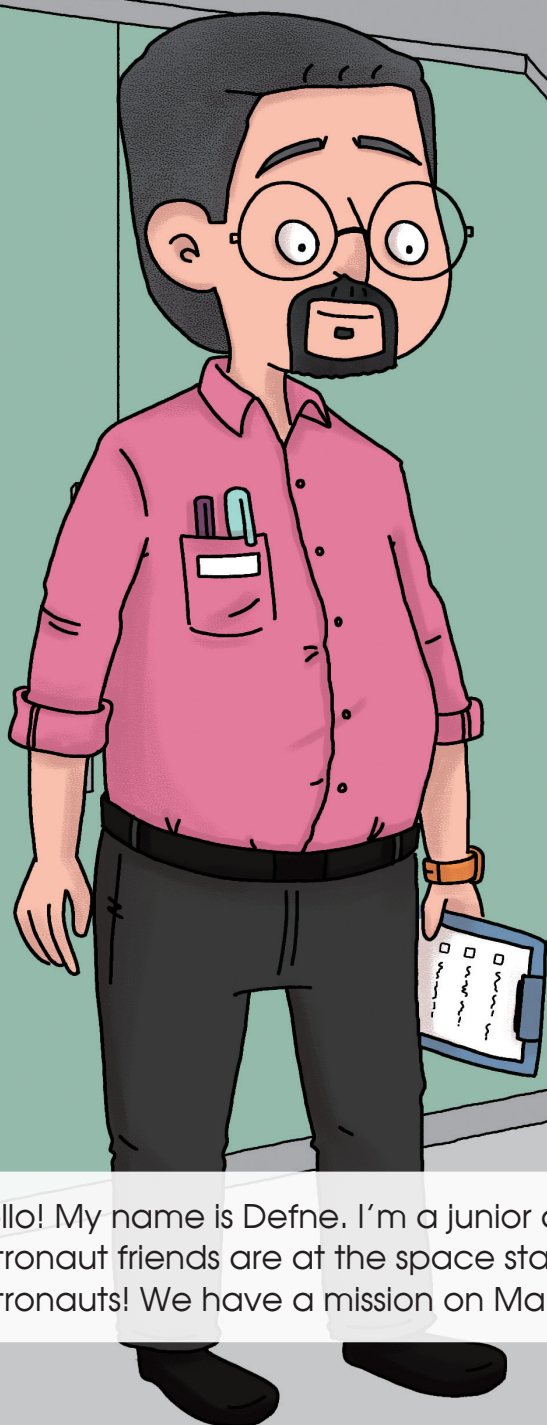

"OK, then. Where is your backpack?"

"It's behind the door."

"OK, ladies. Are you ready? Let's go!" says dad.

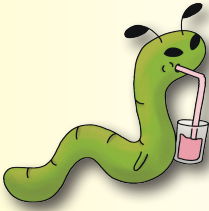

Hello! My name is Defne. I'm a junior astronaut. My astronaut friends are at the space station. We're junior astronauts! We have a mission on Mars.

"Welcome to Space Bon Station. You're on time, Astronaut Defne. I'm Professor Sean. We have some questions for you. Can you answer them?" says the Professor.
"Sure."

Exercise 1

Circle the correct option.

- 1) Defne feels **excited** / **relaxed**.
- 2) Julia speaks **two** / **four** languages.
- 3) The Earth is **behind** / **under** the spaceship.
- 4) Our rooms are **capsules** / **cabinets**.
- 5) We grow potatoes in the **science** / **music** laboratory.
- 6) Tim is good at **maths** / **music**.
- 7) Tim's drawings are very **beautiful** / **ugly**.
- 8) Julia gives us a **map** / **picture** of Mars.

Exercise 2

Answer the questions.

1) What is the mission of the junior astronauts?

.....

2) What can you say about Julia?

.....

3) How long do they travel?

.....

4) What are the classes in the spaceship?

.....

5) Does Defne have a map of the Martian city?

.....

6) Is Defne lost? If yes, why?

.....

Exercise 3

- Think that you're a junior astronaut. Write about your travel.
