- IV. Asking for details about the event
- V. Making a request
- VI. Finishing a phone call

In the conversation above, which two purposes do NOT match the underlined statements correctly?

- A) I and II B) II and III C) III and V D) II and VI

5. Ms. Miller shows her students the results of a study on favorite free time activities of young people in Germany and Italy. She asks her students to discuss the results of the study. Below are some of the students' comments:

Figure 1: Favorite Free Time Activities

Eric : The same number of German and Italian teenagers are interested in seeing new paintings.
Jane : Going to the theater is the most popular activity for the teens in both countries.
Neil : The number of German teens who enjoy reading is less than the ones who like doing sports.
Lucy : Italian teenagers do not like doing physical activities as much as German teenagers do.

Which of the following students does NOT make a correct comment about Figure 1?

- A) Eric B) Jane C) Neil D) Lucy

6. Oscar is in an English exam right now and here is a part of the exam and his answers:

Part A. Read the text below and write "True" or "False".

Hi! I am Natalie. I would like to talk about my daily routines. A typical day in my life starts at about 8 o'clock. First, I have an enormous breakfast with my family. Then, I brush my teeth and get dressed. I leave home at 8:30 a.m. My father drives me to school. I have classes until 2 p.m. After school, I attend a theatre and a chess club. I get back home at 5 p.m. After doing my homework, I have dinner. In the evenings, I prefer staying in my room. I usually play the guitar and surf the Net. I sleep at about 10:30 p.m.

☐ 1- She walks to school with her father.
☐ 2- She prefers spending time with her hobbies in the evenings.
☐ 3- She generally practices music.
☐ 4- She does his homework after having dinner.

Oscar answers all the questions correctly in Part A. Which of the following shows his answers?

- A) ☐ 1- True
☐ 2- False
☐ 3- False
☐ 4- True
- B) ☐ 1- False
☐ 2- True
☐ 3- True
☐ 4- False
- C) ☐ 1- False
☐ 2- True
☐ 3- True
☐ 4- True
- D) ☐ 1- True
☐ 2- True
☐ 3- True
☐ 4- False

7. Read the conversation below and answer the question.

Scarlett : How often do you eat out, Carmen?
Carmen : Well, I go to the restaurant twice a week.
Scarlett : What do you usually prefer eating?
Carmen : I love eating red meat and a fruit dessert.
Scarlett : Do you go there alone?
Carmen : No, ---- comes with me because we have the same food preferences.

Carmen's Friends and Their Food Preferences

Amelia	George	Harry	Olivia
Sushi Ice cream	Steak Chocolate pudding	Chicken Baked banana	Roasted beef Strawberry cake

Which of the following completes the conversation according to the information above?

- A) Amelia B) George C) Harry D) Olivia

8. Read the text, look at the table and answer the question.

Liz invites her friends to do some activities. Here is some information about the invitations and answers:

Invitation for	Day	Invitee	Invitee's answer
Going trekking	Friday	Molly	Why not? Where is it going to take place?
Visiting an exhibition	Saturday	Paul	Sounds really terrific!
Going cycling	Sunday	Cecile	Sorry! Maybe, next time.

Which of the following does NOT have an answer in the table above?

- A) Why does Cecile refuse Liz's invitation?
B) When will Liz and Paul meet?
C) Who wants to know more about the events?
D) Does Molly accept or refuse the invitation?

9.

One of your friends invites you to a jazz music concert on Saturday. You really want to go there, but your brother is going to have a graduation party on the same day. So, you text him/her a message to apologize and explain the reason why you cannot attend the event.

According to the information above, which of the following CAN BE your message?

- A) Hi, dear! I would love to go to the concert with you, but I can't say "yes" this time. I'm sorry.
- B) Alexandra! I am going to a jazz music concert at the weekend. Why don't you come with me? I'm sure we'll have lots of fun.
- C) Hi, sweetie! Thanks for your nice invitation. I'm sorry, but I can't make it. I must attend another event on that day.
- D) Hi, bestie. My brother is going to have a graduation party on the same day. How about going to the concert after the party?

10. Read the statements below and complete the sentence.

Mark

I would like to get information about the latest versions of the smartphones in your company.

Jeff

I ordered some kitchen tools from your website three weeks ago, but I still don't have them.

Sue

I didn't enjoy the product you sent at all. Can you help me to give it back, please?

According to the statements above, they do NOT call the call center to - - -.

- A) return a product
- B) report a problem with delivery
- C) ask for a service
- D) learn about something

FERNUS MOD 000

1. The English teacher, Ms. Flower, reads an article about the Sandwich Technique and decides to use it while commenting on her students' personal characteristics.

What is the Sandwich Technique?

STEP I Say something positive about your students.

STEP II Tell your students what needs to be improved or changed.

STEP III Say something positive about your students again.

In which option does Ms. Flower use the Sandwich Technique correctly?

- A) Lucas, you're a very generous person. You like helping and sharing. However, you should spend more time on your lessons. Keep making us laugh.
- B) Jennifer, you are the most understanding student I have ever met. You get along well with most of your friends. However, sometimes, you should also learn to say "no" to your friends.
- C) Fred, you should pay more attention to friendship. You should also know that sometimes, you need to change your decisions. Never be a stubborn person.
- D) Sheila, you are always there for your friends in times of trouble. You are both a supportive and caring person. You're also reliable. I know we can depend on you all the time.

2. Sandra does some research on the Internet about some dishes and then prepares a poster to inform her classmates about these dishes. Here is a part of her study:

Chicken Fajita

Chicken fajita is very popular in Mexico. All you need to make this delicious meal is some chicken, vegetable oil, onions and peppers. You can cook the ingredients of the meal in hot oil and it is ready to serve in thirty minutes.

Pizza

Pizza is a traditional Italian dish. You can bake it in the oven for less than twenty minutes. It has many varieties such as vegetarian and tuna fish pizza. The most common ingredients are green peppers, tomatoes, corn cheese and sausage.

Steak

Steak is one of the most delicious dishes of American cuisine. It is a kind of high quality grilled beef and takes about half an hour to prepare. You can also serve it with some special sauces.

According to the information above, what is TRUE about all three meals?

- A) They take too long to cook. B) The ingredients are similar.
- C) They belong to the same country. D) You should use different methods to cook them.

3.

Hi everybody,
I'm with you again after a long time. Let's start by answering your questions before sharing my ideas about the topic of the day. Here's the first one. This is an easy question for me. I find rock and rap music amazing. I usually prefer listening to them. I also go to a classical music concert but not very often.

FOLLOW US   

Which of the following questions has Sarah answered in her blog?

- A) When do you prefer listening to music?
- B) How often do you take music classes?
- C) Why do you prefer rock music to rap music?
- D) What type of music do you enjoy listening to?

4.

You work at the call center of a company. You are talking to a customer on the phone. She has a problem with the device she has bought and she needs help.

According to the information above, how do you say that you will put her through to the related department?

- A) We will call you back when our team solves your problem.
- B) Please, let us know about your problems with the service.
- C) Don't hang up the phone, please. I'll connect you to technical support.
- D) Please, do not call us for your complaints about the device you have bought.

5. Look at the poster below, read the text and answer the question.

Free Online Chess Lesson

Melinda sees the poster and texts a message to her friend, Helen, to invite her to the tournament. Helen would like to learn following details about the event:

- I. How can we learn the details?
- II. Is there an age limit to attend the event?
- III. How long is the tournament?
- IV. When will the winners receive the prizes?

According to the poster and information above, how many questions can Melinda answer?

- A) 1
- B) 2
- C) 3
- D) 4

6.

Molly's Favorite
Dishes

-  Vegetable soup
-  Red meat dishes
-  Pasta
-  Salad

Laura : I'm hungry. Let's order something online.

Molly : That would be great. What do you want to eat?

Laura : ----?

Molly : No, thanks. It's not one of my favorite dishes.

According to the information above, which of the following completes the conversation?

- A) How about tomato soup and salad
B) Shall we order grilled fish
C) Why don't we eat spaghetti
D) What about a steak with sauce

7. Three students want to make a role play activity in the class. Instructions for their activities are on the cards below:

Which of the following CANNOT be one of the sentences that students will need while doing the activity?

- A) That's cool! Who else will be at the party?
B) Sorry! I am going to see my relatives then.
C) Are you doing anything at the weekend?
D) How about joining my birthday party on Friday?

8. Read the sentences below and answer the question.

When I am on the Internet, I mostly browse articles for my assignments.

Lucy

I take an online French course twice a week. It helps me to be more successful in French classes at school.

John

I keep in touch with my friends through the Internet because it is more fun.

Scott

I download e-books from the Internet and do research about my school subjects.

Clara

According to the statements above, who uses the Internet for a different purpose?

- A) Lucy
B) John
C) Scott
D) Clara

9. Read the phone conversation and answer the question.

Rose : Hi! I am Rose from WOW Digital Photography. How can I help you?

Hugh : Hello. I want a photo album for our wedding anniversary. It will be a surprise for my wife.

Rose : It's all right. Send us the photos you like. I need to take notes of the details. Hold on a second, please.

Hugh : Oh, it's not a problem. I am waiting.

Rose : Well, when and what time do you want me to send the photo album?

Hugh : On the twelfth of April at 15:00, please.

Rose : OK. Could you tell me your wife's full name and address, please?

Hugh : Her name is Jenny Miller. We live in London, but I'll give you her office address. It's 158 Main Street, Oxford.

Rose : It's OK, sir. Do you want me to add a note to the album?

Hugh : Yeah, I want you to write a note celebrating our wedding anniversary.

Rose : Done! It will cost £20.

Hugh : Thanks a lot. I will pay by credit card.

According to the information above, which of the following cards shows Rose's note?

A) For : Jenny Miller
Date/Time : 12 April / 3 p.m.
Address : 158 Main Street, Oxford
Note Happy birthday, honey!

B) For : Jenny Miller
Date/Time : 12 April / 3 p.m.
Address : 158 Main Street, Oxford
Note Hope we have good years together!

C) For : Jenny Miller
Date/Time : 12 April / 3 p.m.
Address : 158 Main Street, London
Note You are the sunshine of my life.

D) For : Jenny Miller
Date/Time : 20 April / 3 p.m.
Address : 158 Main Street, Oxford
Note Have fun at your new company!

10. Look at the table below and complete the sentence.

Neil

Fiona

Alice

Arthur

Doing sports
Going to concerts

Going shopping
Having a picnic

MOO PRO

1.

Sue : I'm planning to throw a birthday party on Friday afternoon. Can you help me to prepare the guest list?

Amy : Sure, why not? Let's make the list. I'm writing Matthew first.

Sue : OK. He is always very kind to me. However, I don't want Daisy to join my party.

Amy : All right. Who else would you like to invite?

Sue : It can be Britney. I have a very good relationship with her.

Amy : OK. What about your deskmate, Angela?

Sue : I can't say that I get on well with her, but don't forget to add Julia to the list.

According to the conversation above, which of the following shows the guest list for Sue's party?

A)

GUEST LIST

Matthew
Daisy
Angela

B)

GUEST LIST

Matthew
Angela
Julia

C)

GUEST LIST

Daisy
Britney
Angela

D)

GUEST LIST

Matthew
Britney
Julia

2. The students below are talking about their purposes of using the Internet.

I am keen on following foreign series to improve my English on the Internet.

Wilma

I enjoy sending emails to my friends via the Internet.

Philip

I love doing sports and I use the Internet to buy some sports equipment.

Eric

When I go online, I generally pay the bills and check my banking accounts.

Sandra

Which of the following is **CORRECT** according to the conversation above?

- A) Wilma watches movies to have fun.
- B) Philip uses the Internet for communication.
- C) Eric goes online to check the sports results.
- D) Sandra never uses online banking.

3.

Hi! I am Violet. There is a great family reunion at our house tonight, so we are busy in the kitchen. Let me tell you about our preparations. (I) I prefer Asian cuisine because I am crazy about eating spicy food. (II) My elder sister, Nina, is kneading the dough to make cookies. (III) My mom will bake a vegetable pizza for dinner, so she is chopping carrots, peppers and tomatoes. (IV) My father thinks pizza goes well with lemonade, so he is squeezing some lemons.

Which of the following is ODD according to Violet's speech above?

- A) I B) II C) III D) IV

4. Erdem takes an exam about Internet safety rules.

1. **One of your online friends wants to meet up with you to do an event together. What would you do in this situation?**
A) I agree to meet. ☒ B) I never agree to meet.
2. **Someone you don't know sends you a friend request on social media. What would you do in this situation?**
A) I don't accept. ☒ B) I never refuse.
3. **What would you do if a stranger asks for your personal information on the Internet?**
☒ A) I share. B) I don't share.
4. **Your close friend asks you a question about downloading files. What would you advise him/her?**
☒ A) Check it with an adult. B) Download it without asking anyone.

How many of Erdem's answers are NOT correct?

- A) 1 B) 2 C) 3 D) 4

5. Rose's friends are talking about her.

Amy

To be honest, Rose is the only person I spend time together. I can count on her all the time. We never argue.

Tom

I can't say that I trust Rose. We rarely get on well with each other because she only thinks of herself.

Luke

According to me, Rose is an unreliable friend. She never tells the truth. She also dislikes sharing and helping.

Derek

I like Rose more than my other friends. I know I can always depend on her. Life is better with friends like Rose.

Which two people think that Rose is reliable?

- A) Amy and Luke B) Amy and Derek C) Tom and Derek D) Tom and Luke

6. Look at the poster below and complete the sentence.

In this poster above, there is NO information about the - - - - of/for the event.

- A) exact time B) location C) deadline D) price

7. The visuals below show the communication preferences of Lucy and her close friends.

How Do You Communicate With Your Friends?

According to the information above, whose sentence does NOT reflect his/her communication preference correctly?

- A) **Lucy** : I prefer meeting up with my friends and talking face to face.
 B) **Kylie** : I usually text my friends as I find it fast and fun.
 C) **Betty** : I keep in touch with my mates through social networking sites.
 D) **Paul** : My first choice for communication is to make a phone call.

8. Read the sentences below and answer the question.

Which of the following CANNOT you use in any of the sentences above?

- A) visiting exhibitions B) seeing a new play C) having a picnic D) watching films

9. Julia asks Kevin some questions about his daily routines in the class. Below, you can see the answers of Kevin:

Question 1

1. ----?

Answer

My sister wakes me up around 7 a.m.

Question 2

2. ----?

Answer

My dad drives me to school every morning.

Question 3

3. ----?

Answer

I join music and drama clubs after classes.

Which of the following shows the **CORRECT** questions that Julia asks Kevin?

QUESTION 1

- A) **How long does it take you to have breakfast in the morning**
- B) **Can you tell me what time you wake up on weekdays**
- C) **What time do you get up in the mornings**
- D) **Does your sister always wake you up at 7 a.m.**

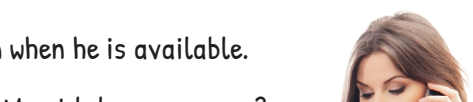

QUESTION 2

- Do you come to school on foot or by bus
- How often does your dad come to school
- How do you go to school
- Do you go to school with your dad every morning

QUESTION 3

- What kind of activities do you enjoy doing**
- Which school subjects are you most interested in**
- What do you do after school**
- How often do you attend after-school activities**

10.

I. Of course, sir. I will tell your message to him when he is available.

II. I'm afraid he is in a meeting at the moment. May I take a message?

III. Hi, I am Tina from Four Way Car Sales. How can I help you?

IV. Oh, yeah. Could you please tell him that Marcus called?

V. Hello! This is Marcus Brown. Could you put me through to Mr. Flower, please?

Which of the following shows the CORRECT order of the phone conversation above?

- A) III - V - II - IV - I
B) V - III - II - I - IV
C) III - V - IV - II - I
D) V - III - I - II - IV
