I'm Yiğit. I'm ten years old. I'm a student. This is my brother, Mert. He's a student, too. He's eight years old. We are from Turkey. We're Turkish. We're at the same school. We like books, computer games and playgrounds.

It's summer holiday now. Mert and I like visiting museums on holiday. There are old things at the museums. We can see skeletons and old coins. I like the old coins! Mert likes the skeletons.

It's Monday today. Mert, Kathy, Cindy, Tom and I are at the museum now. We are five students. We visit the city museum. We stay three hours at the museum. We look at old things. We take notes and we see two people at the museum.

They are old and they are taking photos. I think they are Japanese. We say, "Hello! Welcome to our country." They say, "Thank you!"
